Comment: Hi,

I wish to strongly OBJECT this application. I live down the road from this application and work in the Coley Park area. So I have observed Berkeley Avenue all my life. I want to object for all the reasons already mentioned. Litter, Traffic, nuisance, and no need for such a business in this area.

However the previous objections have overlooked one MAJOR fact. Berkeley Avenue is the only entrance to this premises. Meaning all deliveries will be coming through the front entrance. Having observed the chip shop in Coley Park I know these humongous lorries stay there for 30-45 mins sometimes unloading and the traffic is a nightmare. All the cars have to do U-turns to turn back etc. These lorries are sometimes delivering 70-80 25kg sacks of potatoes many times a week and it takes time to unload. The driver is not going to park across the street and carry all this. He will park on the double yellow and carry these sacks in or other drivers will park on the double yellow and carry packaging, frozen goods etc in and be there for an extended period of time. These activities cause a nightmare on Wensley Road but now imagine this on a double yellow Berkeley Avenue - the effects will be disastrous and I can promise you it will end in a pile up collision or someone getting seriously hurt. A lot of elderly people live in this area with the closest shop being the cost-cutter next door. What will happen is they will try cross the road with one of these big lorries blocking vision from both sides and next thing you know they have walked into a busy road and had a collision. Having elderly people from my family live on Berkeley Avenue I STRONGLY STRONGLY STRONGLY OBJECT THIS APPLICATION.
