

food waste containers

Easy to manoeuvre

Lightweight design reduces potential for manual handling injuries

Ideal for food preparation areas

Containers are designed to fit under-the-counter in food preparation areas

The hygienic option

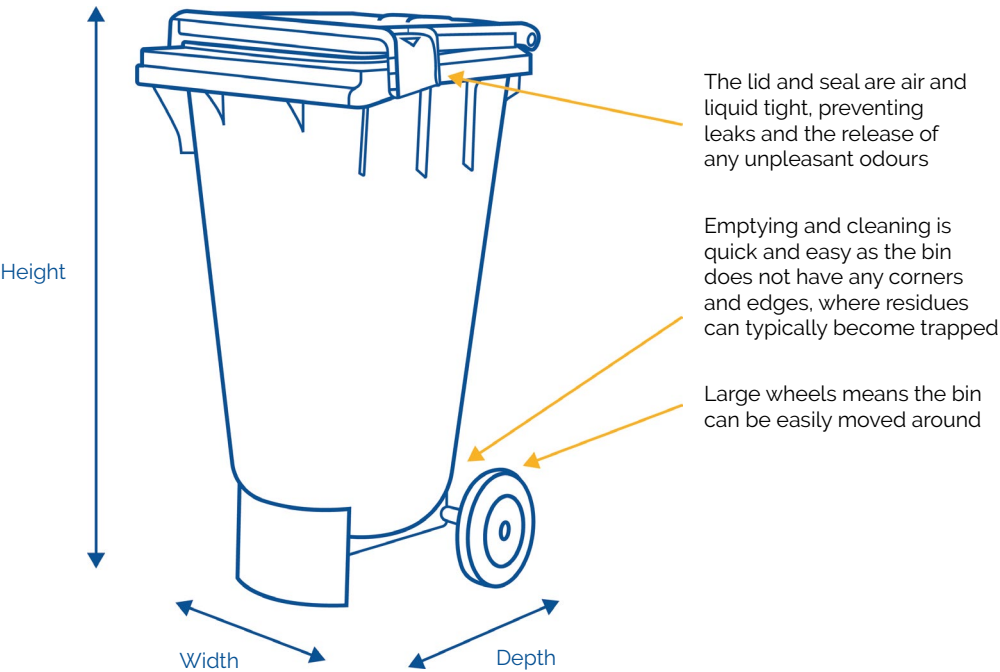

Our food waste bins are designed to eliminate unwanted odours and access to pests

Food waste bins for the hospitality sector

Our food waste containers have been designed with the hospitality sector in mind. With rounded bottoms for easy cleaning and maintaining hygiene, and clip-down non-spill sealed lids for easy disposal of cooking oils and liquids, our containers are ideal for storing under-the-counter in food preparation areas.

To help you keep track of your business' waste, we can provide you with accurate reporting of your food waste tonnage, and easy monitoring and trend tracking using our state-of-the-art software.
