Application Number: 231590

Name: S. Turner

Address: Conisboro way, Caversham Rg4

Comment Type: Object

Comment: Another objection to add to the growing pile. This is a dreadful proposal, far too big for the site. It is lacking any finesse or sympathy for its setting. Ecology should not be ignored, nor should boundaries!

It's Grand Designs on lemonade budget on a pea sized site.

I'm sure LA will not recommend for approval but just incase I'm approaching the planning committee members now.
