

**TOWN AND COUNTRY PLANNING ACT 1990
PLANNING AND COMPENSATION ACT 1991
THE TOWN & COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015**

Application for Full planning permission

To: Mr Eric Bolton
Henson House
Newtown Road
Henley-On-Thames
RG9 1HG

Application No: PL/23/0988
Application type: Full planning permission

Applicant: Ms Riaz

READING BOROUGH COUNCIL as Local Planning Authority **GRANT FULL** planning permission for the following development in accordance with the plans and supporting information submitted in connection with this application.

Proposal: Proposed roof alterations, part two part single storey extensions and conversion of the existing building to 3 x flats. Resubmission of Planning Permission 190533.

At: 2 Mason Street, Reading, RG1 7PD

Subject to such conditions and for such reasons as may be attached

**OTHER STATUTORY CONSENTS MAY BE REQUIRED
PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE**

Date: 17 September 2024

Assistant Director of Planning, Transport and
Public Protection Services

AA

Application At: 2 Mason Street, Reading, RG1 7PD

Application No: PL/23/0988

Application type: Full planning permission

CONDITIONS & REASONS

1. The development hereby permitted shall begin no later than three years from the date of this planning permission.

REASON: In pursuance of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004) in order to prevent an accumulation of unimplemented planning permissions.

2. The development hereby permitted shall ONLY be carried out in accordance with the following approved plans:

Drawing No. 06 Rev A – Proposed Floor Plan

Drwg No. 07 Rev A – Proposed Floor Plan

Drwg No. 09 Rev A – Proposed Elevations

REASON: For the avoidance of doubt and to ensure that the development is carried out and adhered to in accordance with the application form and associated details hereby approved.

3. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used on the existing building.

REASON: In the interests of visual amenity and ensuring the new development responds positively to the local context and character in accordance with Policy CC7 of the Reading Borough Local Plan 2019.

4. **Prior to commencement of development**, full details of the proposed roof mounted Photovoltaics shall be submitted to and approved in writing by the Local Planning Authority. These details shall include a roof plan showing the location and position of the Photovoltaics, their dimensions, manufactures specification, and ongoing maintenance arrangements. The approved Photovoltaics shall thereafter be installed in accordance with these approved details and maintained in good working order to the satisfaction of the Local Planning Authority.

REASON: These details are required due to insufficient information being contained within this submission and in order to incorporate measures to adapt to climate change in accordance with Policy CC3 of the Reading Borough Local Plan 2019.

5. **No further development shall commence on site** until details of a habitat enhancement scheme are submitted to and approved in writing by the Local Planning Authority. The scheme is to include a programme for implementation and ongoing maintenance. The habitat enhancement scheme shall thereafter be implemented and adhered to in accordance with agreed programme.

Date: 17 September 2024

Assistant Director of Planning, Transport and
Public Protection Services

AA

REASON: Details are required prior to commencement as insufficient information was submitted with the application and in order to avoid harm to habitats and species whilst securing biodiversity enhancement in the long term. This accords with Paragraph 175 of the NPPF (2019), Policy EN12 of the Reading Borough Local Plan 2019, the Wildlife and Countryside Act 1981 (as amended) and The Conservation of Habitats and Species Regulations 2017.

6. Prior to first occupation of the flats hereby permitted, the Local Planning Authority shall be notified in writing of the full postal address of the property. Such notification shall be addressed to the Local Planning Authority quoting the planning application reference specified in this Decision Notice.

REASON: In order that the Council can update its records to ensure that parking permits are not issued to the occupiers of the new residential units hereby approved, and thus ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy TR1 and TR3 of the Reading Borough Local Plan 2019.

7. Prior to any agreement being entered into for a new occupation of, or transfer of any interest in, the flats hereby approved, the prospective occupier/transferee shall be informed that there is no automatic entitlement to a car parking permit for any existing residential parking permit schemes and future schemes on adjacent and surrounding streets. All material used for advertising or marketing the residential unit(s) for letting or sale shall make it clear to prospective tenants and occupiers that they will not be automatically entitled to a parking permit, but any application for a parking permit will be considered on its merits.

REASON: In order that the prospective occupiers are made aware of the fact that while they can submit an application they will not be automatically entitled to an on-street car parking permit. In the interests of the proper management of parking, and to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on street car parking in the area in accordance with Policy TR1 and TR3 of the Reading Borough Local Plan 2019.

8. **No further development shall commence on site** until a plan showing how 2 cycle parking spaces can satisfactorily be provided on site is submitted to and been approved in writing by the Local Planning Authority. The cycle parking spaces shall be provided in full accordance with the approved details prior to first occupation and thereafter kept free of obstruction and retained in accordance with the approved details and shall remain available for the parking of vehicles at all times.

REASON: These details are required due to insufficient information being contained within this submission and in order to encourage travel by sustainable alternatives to private vehicle in accordance with Policy TR3 and TR5 of the Reading Local Plan 2019.

Date: 17 September 2024

Assistant Director of Planning, Transport and
Public Protection Services

AA

9. The flat roof area of the single storey extension hereby permitted shall not be used as a balcony, roof garden or similar amenity area without the grant of further specific planning permission from the Local Planning Authority.

REASON: To safeguard the amenities of the adjoining premises from overlooking and loss of privacy in accordance with Policy CC8 and H9 of the Reading Borough Local Plan 2019.

INFORMATIVES

1. Your attention is drawn to the terms and conditions of this permission. Any development which is carried out but which differs materially from the approved plans and details, or does not comply with any condition(s) or planning obligation(s) attached to the permission may result in the Council taking action to remedy the breach of planning control. If you are in any doubt please contact the Council.
2. In accordance with Article 35 (DMPO 2015) some conditions have been highlighted to make clear that they require approval from the Local Planning Authority before any development begins. This is because the details need to be designed or works implemented before any other works start on the site or are of a nature that it would be impractical to consider after work has started.
3. Your attention is drawn to the requirement for submission of a Building Regulations application for the proposed development. Please contact RBC Building Control on Building.control@reading.gov.uk OR telephone 0118 9372449 9.00am to 1.00pm Monday to Friday.
4. Complaints are commonly received about noise and dust caused by construction and demolition works, particularly working outside reasonable hours and smoke from bonfires associated with the burning of waste on site. The developer is reminded that construction and demolition associated with the approved development will be subject to environmental health law.
5. During the course of construction, the developer should take care to ensure that no part of this development (foundations, eaves, guttering, etc.) would encroach on, under or across the boundary line with the adjoining property, as the requisite Notice has not been served on the owner of that property. This permission does not confer any right of access onto land that is not under the developer's control. The developer should also be mindful of the obligations and requirements of the Party Wall Act (1996) details of which can be found at:
www.communities.gov.uk/publications/planningandbuilding/partywall
6. You advised that demolition and related activity may harm adjacent trees and/or their Root Protection Areas (as defined by BS5837:2012). As such, it is recommended that

Date: 17 September 2024

Assistant Director of Planning, Transport and
Public Protection Services

AA

protective fencing is erected prior to commencement of demolition to protect both tree canopies and Root Protection Areas. If trees subject to a Tree Preservation Order are present or the site is within a Conservation Area, such protection measures are a necessity to prevent tree damage (potentially subject to enforcement action) and advice should be sought from the Natural Environment Team.

7. The Local Planning Authority has worked positively and proactively with the applicant to resolve relevant matters to allow permission to be granted within the prescribed target or agreed extended timescale for the decision to be issued.

Date: 17 September 2024

Assistant Director of Planning, Transport and
Public Protection Services

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against the Council's decision on the application you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against the Council's decision on your application, you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (or 12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

If the above circumstances do not apply, any appeal must be made within the following time limits. If this is a householder application and you want to appeal against the Council's decision then you must do so within 12 weeks of the date of this notice. If this is an advertisement application and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of this notice. If you want to appeal against your local planning authority's decision for any other type of application (which is not a householder or advertisement application, or an application for a Certificate of Lawfulness) then you must do so within 6 months of the date of this notice.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Appeals must be made via the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, tel. 0303 444 5000, or online at <https://acp.planninginspectorate.gov.uk/>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
