YOUR COMMENTS ON THE CASE

As a regular user of Berkley Avenue for my daily commute to work I STRONGLY STRONGLY want to object this appeal for exactly the same reasons it was rejected initially. The premises has NO parking. Even if you count the inadequate space in front of the shop the flat owners above and shop owner will park there. Its on a bend, on a double yellow and has a cycle lane right outside. All which will be blocked when large lorries turn up to drop potatoes and supplies many days a week. And then again in evenings with delivery drivers parked and waiting to take orders. This would be the worst possible thing for this area.
