Application At: PAVEMENT OUTSIDE 29 FRIAR STREET, READING, RG1 1DP

Application No: PL/24/1045

Application type: Consent to display an advertisement

REASONS FOR REFUSAL

1. The proposed double sided Hub advertisement screen is positioned in an area under CCTV camera surveillance and resultant glare would interfere, obstruct and compromise the effectiveness of the surveillance of the area and obscure visibility along Friar Street in close proximity to Marchants Place. The structure would further obscure pedestrians behind the unit and between the unit and the adjacent tree and therefore would pose an increased security risk in a vulnerable location along Friar Street. Therefore the proposal does not comply with Policies OU4 and CC7 of the Reading Borough Local Plan 2019 and paragraph 101 and 141 of the NPPF.
2. The application fails to demonstrate that the adjacent tree and tree roots would be protected during installation works and does not indicate the extent of any requirements for future tree felling or removal due to conflict with the function of the proposed unit. The proposal would therefore be harmful to this street tree, which is important to the amenities of the area, contrary to policies CC7 and EN14 of the Reading Borough Local Plan 2019 and paragraph 136 of the NPPF.

INFORMATIVES

1. The refusal relates only to the following plans and drawings as received by the local planning authority on 12 August 2024:

2. This planning application was submitted without the benefit of first seeking pre-application advice from the Local Planning Authority, which can often result in the avoidance of refusal of planning permission. Please see the following link to the Council's pre-application service here:
<https://www.reading.gov.uk/planning-and-building-control/planning-applications/before-making-a-planning-application/pre-application-planning-advice/>
3. Information submitted in support of the hub applications was not consistent.

4. The local planning authority has worked positively and proactively with the applicant to see if relevant concerns could be resolved to allow permission to be granted. However, that has not been possible within the prescribed target or agreed extended timescale and therefore the decision to refuse advertisement consent has been taken.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse consent for the proposed display of advertisements or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within 8 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.
