

During the day time between 10am and 5pm there will be only private (one-to-one) 45 min lessons taking place in the studio. Which means there will be an average of 3-5 students. Majority of the students who will be coming to the studio are single or as a couple come with a single vehicle and some of them come with public transportation, which would mean on average 2 vehicles.

Group classes will take place after 5pm, three days a week one of which will be Saturday. The majority of the other businesses in the estate will be closed by 5pm and do not work on weekends.
