

Do not scale from this drawing for purposes other than the relevant Project Agreement. This drawing must not be used for land transfer purposes. This drawing must be read in conjunction with all other relevant drawings, specifications and schedules.

Drawing revision prefix (not applied to sketches)
P = Pre-Contract
C = Contract

This drawing is issued by the relevant Asset group company which is this party to the relevant Project Appointment Letter or Project Agreement and is the sole and exclusive property of the relevant Asset group company with this drawing relating. Nothing in this document shall be construed as being issued by or on behalf of, or constituting any advice or commitment from, any other Asset group company. A full list of the names of all of the companies of the relevant Asset group company is set out in the Company List of the relevant Terms of Use. We have prepared this drawing in accordance with the instructions of the Client under the agreed Terms of Appointment. This document is for the sole use and benefit of the Client and the Client and its agents and advisers shall be responsible for any use of the document or its contents for any purpose other than that for which it was prepared and provided. Should the Client require to pass copies of the document to other parties this should be for coordination purposes only and the whole of the file should be so copied and the professional indemnity cover should not be extended to other parties in this connection without the explicit written agreement thereto by the company under the agreed Terms of Appointment.

When this drawing is issued in DWG format it is an uncontrolled version issued to enable the recipient to prepare their own documents/models/drawings for which they are solely responsible. It is based on background information current at the time of issue. The relevant Aesaul group company accepts no liability for any such alterations, additions or discrepancies arising out of changes to such background information which occur to that information after it has been issued. The relevant Aesaul group company prepared this drawing using Revvit 2022 exporting to the agreed file format and does not accept liability for any loss or degradation of that information held in electronic form. The recipient is responsible for ensuring that they have the correct file format or from the recipients reading of it in any other programme or another version of the programme referred to above.
