About this item

- **Durable Handmade Design:** Our bird box is crafted from high-quality pine wood, ensuring longevity and resistance to outdoor conditions, allowing it to serve as a reliable bird house for years to come.
- **Easy Access for Maintenance:** Featuring an innovative open-door design, this outdoor bird house simplifies cleaning and organizing, making it effortless to maintain a healthy nesting environment for garden birds.
- **Bird-Friendly Features:** Designed with a 4cm (1.6in) entrance and a 10cm perch, our bird box provides a safe and comfortable space for small birds to feed and nurture their chicks, attracting a variety of bird species to your garden.
