Notes apply liquid system to roof

Resource notes

We have attended site bagged up all stones and rubbish from the roof clean down the roof and applied roofing sealant all over to make sure all area is covered and water tight all rubbish removed from site job done and left tidy

Kate Hatter

Roof Report

	Answer	Notes
Have you read and understood the RA/MS specific to this project on the file library?	Yes	
Please sign to say you have read the RAMS	Billy bartell	

BB

Please get all other DMCS operatives on site to sign to say they have read the RAMS (Please note signing for an operative who hasn't read the RAMS is an instant dismissal) If an operative refuses to read the RAMS, will not sign, then do not start work and report to a manager/ the office immediately.

Tom Dudley

TP

Have you signed into the clients premises? Yes

Have you reviewed the asbestos risk register for the premises? Yes

After reviewing the RA/MS are there any hazards/risks that have not been considered? No

Please take photo of front of store to include site LOGO / Sign
