Application At: 231A LONDON ROAD, READING, RG1 3NY

Application No: PL/25/1404

Application type: Consent to display an advertisement

REASONS FOR REFUSAL

1. The proposed BT Street Hub would have an unacceptable impact on public safety due to its location within the visibility splay of a priority junction, the distraction caused by illuminated advertising screens, and the reduction of the adopted footway to an insufficient width. These factors would compromise highway safety and pedestrian accessibility, particularly for vulnerable users. Furthermore, the introduction of a large structure would provide a secluded area with opportunities for anti-social behaviour and crime. As such the proposal is contrary to Policies CC7, CC8, TR1, TR3, OU3, OU4 of the Reading Borough Local Plan 2019 and National Planning Policy Framework.
2. The proposed BT Street Hub advertisement display screens by reason of their excessive size, garish appearance and prominent siting would appear as an unattractive and obtrusive feature which would have a visual dominance in the street scene, harmful to the visual amenity of the area. The proposal would exacerbate an undesirable proliferation of visual clutter at this location. The proposal is contrary to Policy OU3, Policy OU4, Policy CC7 and Policy CC8 of the Reading Local Plan 2019.

NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse consent for the proposed display of advertisements or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within 8 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.
