Application At: ROAD NEAR 36A CHURCH STREET, CAVERSHAM, READING, RG4 8AU

Application No: PL/25/1397

Application type: Consent to display an advertisement

REASONS FOR REFUSAL

1. The proposed BT Street Hub would have an unacceptable impact on public safety as it would significantly reduce the width of the adopted footway in a location of high pedestrian footfall within the Caversham District Centre. This narrowing would create a pinch point that compromises inclusive access for wheelchair users, those with pushchairs, and visually impaired pedestrians. Furthermore, the introduction of a large structure would provide a secluded area with opportunities for anti-social behaviour and crime. As such, the proposal is contrary to Policies CC7, CC8, TR1, TR3, OU3 and OU4 of the Reading Borough Local Plan 2019 and National Planning Policy Framework.
2. By reason of its excessive size, garish appearance and prominent siting, the proposed hub would appear as an unattractive and obtrusive feature and would introduce additional visual clutter, failing to respect its surroundings harmful to the character and appearance of the area, contrary to Reading Borough Local Plan Policies CC7, CC8, OU3 and OU4, which require development and advertisements to respect their setting and avoid detrimental effects on visual amenity.

1. The Local Planning Authority has worked positively and proactively with the applicant to see if relevant concerns could be resolved to allow permission to be granted. NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Council to refuse consent for the proposed display of advertisements or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within 8 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.
