

Dimplex Quantum QM100RF - Wi-Fi Ready Storage Heater, 1000W

11/12/2025

- 1kW - Eco Fan Assisted
- Intelligent adaptation to usage to save energy
- Seven day programmer, holiday mode & user profiles
- Easy to use controls and LCD display
- Features boost element so heat is always available

Quick Find: **22499**
Part Code: **QM100RF**

Product Option:

Dimplex Quantum QM050RF, Dimplex Quantum QM070RF, Dimplex Quantum QM100RF, Dimplex Quantum QM125RF, Dimplex Quantum QM150RF

£698.55 ex VAT
£838.26 inc VAT

App controlled storage heater ready to set up with the Dimplex Control App. *Requires Dimplex Hub with Wi-Fi /Ethernet.

Dimplex Quantum QM100RF

Quantum is the worlds most advanced storage heater. It uses low-cost, off-peak energy, making it the most economical electric heating system on the market today. Plus, it adapts to match lifestyle and climate conditions, delivering heat only when it's needed. With its compact, state-of-the-art design, Quantum is the perfect upgrade for static storage heaters and suits a wide range of applications.

Dimplex Storage Heater features

- **Cost savings** - Quantum is up to 27% cheaper to run than a standard storage heater system. It's also up to 47% cheaper to run than an electric convector or radiator system.
- **Heat on demand** - Quantum stores energy up during periods of low demand, turning it into efficient heat only when needed. Through its use of a sophisticated self-learning algorithm, the IQ controller can take just the right amount of heat to match the users lifestyle and changing weather, intuitively and precisely.
- **Total control** - Quantum QM100RF is fitted with the iQ controller so you can pre-set your heating requirements, just like central heating. Manual adjustment, if required, is also simple with its easy-to-read LCD display and user-friendly low torque rotary knob, designed with the visually impaired in mind.
- **Peace of mind** - Quantum comes with a 2-year warranty and is also BEAB approved.

Specifications

24 Hour Supply Required	Yes
Boost Element Rating	0.88 kW
Brand	Dimplex
Child Lock	Yes
Colour	White
Depth	185 mm
Dimensions	865 x 730 x 185 mm
Electric Heater Type	Storage Heater

Heats up to	10 m²
Height	730 mm
Height Group	601-750 mm
HHR Compliant	Yes
Input	2200 W
IP Rating	IPX4
Maximum Storage Capacity	15.4 kWh
Meets SAP Specifications	Yes
Number of Brick Packs	8
Off Peak Supply Required	Yes
Output	1000 W
Portable	No
Product Type	Storage Heater
Range	Quantum
Timer	Yes
Warranty	2 years - with the option of extending to 10 years
Wattage	2200 W
Wi-Fi Compatible	Yes
Width	865 mm
Width Group	551-1000 mm
