

Biodiversity Units UK Ltd
Unit 5
113-117 Farringdon Road
London
EC1R 3BX

Dear Noa,

Our Habitat Specialist has reviewed your metric and confirmed you require:
0.05 habitat units of medium distinctiveness scrub

Based on this we can supply:
0.05 'Heathland & Scrub - Mixed Scrub' - Medium distinctiveness habitat

Costs are as follows (+VAT):
Deposit: £528.00
Final Invoice: £2,112.00
Order Total: £2,640.00

If you're happy with this price, we can organise a deposit invoice, this reserves your BNG units for 3 months. If purchased whilst in the planning phase, this deposit is refundable should you not be granted planning. Any issue/refund request must be raised within the 3 month reservation period.

If you have already received planning, this deposit phase allows you to check that the LPA approves the off-site BNG solution proposed, before completing. Again this deposit is refundable should there be any issues with the units provided.

On receipt of payment we'll issue you a letter of reservation and solution methodology which you can provide to your LPA which details your BNG Solution.

When you're ready to complete the purchase, we would issue the final invoice and a draft option agreement for you to sign.

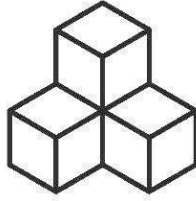

Once the final invoice is paid and the agreement is signed, the units will be registered.

We would then provide you with:
An updated DEFRA metric

The reference number for the allocation of your units from the Gain site register

Biodiversity Units UK Ltd - Registered Office: Office, 31 Cattle Market Street, Norwich, Norfolk, NR1 3DY
Registration Number: 15194560. Registered in England & Wales
VAT Registration Number: 471206514
Website: www.biodiversity-units.uk / Email: info@biodiversity-units.uk

We would also complete section 7 of your Biodiversity Gain Plan (Here is a link to the template: <https://www.gov.uk/government/publications/biodiversity-gain-plan>)

These documents should be provided to your LPA to evidence your off-site BNG purchase.

If you have any questions at all, please let me know.

Thank you,
Nick
