

Condition 17 Photographic Schedule

Boundary treatment as per approved plan 202 P 02 Rev B Ground Floor Plan

The existing fence was retained in line with drawing 202 P 09 Rev B.

Above is a photographic schedule of the approved design, materials and type of boundary treatments as per plan 202 P 09 Rev B Communal Garden Plan. As per the photographic schedule, a number of mammal gaps at 5 x 5 inches on the base of the fencing has been installed to allow hedgehogs and other small mammals to pass freely between boundaries.
