

Existing Elevation 2-2

Architectural elevation drawing of a building facade. The drawing shows a two-story structure with a flat roof. On the left, there is a chimney labeled "Brick". The roof is labeled "Roof Tiles". The upper story features two windows with blue panes, each labeled "White Rough Cast" with a height of 52.90. The lower story features a large double door with blue panes, labeled "White Rough Cast" with a height of 52.79. There are also two small windows on the lower story, each labeled "White Rough Cast" with a height of 52.85. The drawing includes various annotations such as "59.92", "55.75", and "49.65" indicating heights or depths. The drawing is a technical architectural elevation.

Existing Elevation 3-3

Existing Elevation 4-4

Important Information:

Any Drainage that has been investigated should be checked against statutory records to confirm details before proceeding with any design work.

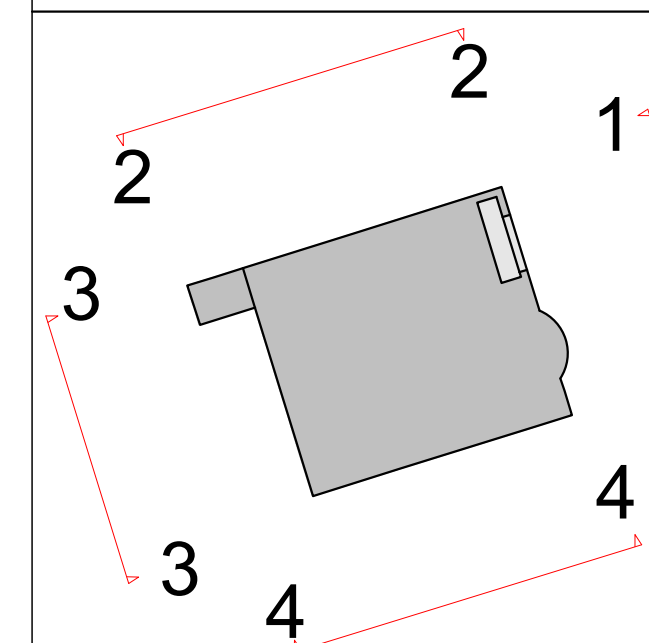

We advise that an arborologist be appointed to correctly determine the species and condition of all trees surveyed prior to any design work.

All information contained in this drawing (including digital data) should be checked and verified prior to any fabrication or construction.
