Schedule 5 – Viability Review

1 Viability Review

1.1 No earlier than the Viability Review Trigger Date and no later than five (5) Working Days after the Viability Review Trigger Date, to submit an Updated Viability Appraisal and Supporting Evidence to the Council for Approval.

1.2 No later than twenty (20) Working Days after receipt of the Updated Viability Appraisal and Supporting Evidence pursuant to Paragraph 1.1 above, the Council shall notify the Owner of any further information it reasonably requires in order to determine whether the Updated Viability Appraisal can be Approved.

1.3 To provide any further information that is required by the Council pursuant to Paragraph 2.2 above no later than ten (10) Working Days following notification from the Council under Paragraph 1.2 above PROVIDED THAT this process shall continue until the Council is satisfied that it has sufficient information properly to determine the Updated Viability Appraisal.

1.4 If the Council has not Approved the Updated Viability Appraisal within thirty (30) Working Days of its submission pursuant to Paragraph 1.1 above (or

such longer period as is agreed in writing between the Owner and the Council), the Council shall provide the Owner with written details of a suitably qualified and experienced independent assessor to determine the Updated Viability Appraisal for the Owner's approval (such approval not to be unreasonably withheld or delayed) PROVIDED THAT, for the avoidance of any doubt, the Council shall not be required to do so where the Parties (acting reasonably) consider that it would be preferable to continue discussions with a view to Approving the Updated Viability Appraisal without recourse to an independent assessor.

- 1.5 If the Council and the Owner (each acting reasonably) are unable to agree the identity of the independent assessor within ten (10) Working Days of the Council's notification pursuant to Paragraph 1.4 above, then either Party may ask the President for the time being of the Royal Institution of Chartered Surveyors to appoint an independent assessor being a surveyor from a major firm of surveyors with not less than ten (10) years' relevant experience.
- 1.6 The terms of appointment for the assessor shall be in a form approved by the Owner and the Council and the Parties shall use Reasonable Endeavours to appoint the assessor on such terms within five (5) Working Days of their identity being agreed or determined.
- 1.7 The Owner and the Council shall provide the assessor with the Updated Viability Appraisal and Supporting Evidence together with any other information relevant to the assessor's determination.
- 1.8 The assessor shall be entitled to request from either Party (with a copy to the other Party) such further information and clarification as the assessor reasonably requires for the purposes of his/her determination.
- 1.9 The Parties shall use Reasonable Endeavours to provide the assessor with any such further information as soon as reasonably practicable and shall copy the other Party on any response to the assessor.
- 1.10 The assessor shall be appointed on the basis that

within twenty (20) Working Days (or such longer period as may from time to time be agreed in writing between the Owners and the Council) of receiving the Updated Viability Appraisal and Supporting Evidence and any further information, the assessor shall notify the Parties in writing of the outcome of his/her determination. Where the assessor is unable to determine the Deferred Contribution on the basis of the Updated Viability Appraisal, Supporting Evidence and any further information provided, the assessor shall assess the Deferred Contribution as being the amount of the Deferred Contribution Cap.

- 1.11 The assessor's determination shall be binding on the Parties save in the case of manifest and material error.
- 1.12 The Owner shall pay the Council's reasonable costs in the Approval of the Updated Viability Appraisal within 10 Working Days of the Council's written notice of those costs.

2 Viability Review – Payment of a Deferred Contribution

- 2.1 **Where the Updated Viability Appraisal, as approved in writing by the Council or the independent assessor (as the case may be) pursuant to Paragraph 1 above, identifies a Surplus, the Owner shall pay the Deferred Contribution in accordance with this Paragraph 2.**
- 2.2 The Owner shall not Occupy (or permit to be Occupied) any of the Residential Units unless and until the Deferred Contribution has been paid in full to the Council, PROVIDED THAT the Owner shall not be obliged to pay more than the Deferred Contribution Cap (Index Linked).
