6.6.4 Central Yard - Woodland Garden

A smaller pocket park will be provided at the heart of the residential areas, and intersection of key routes north south/ east west. Its exact location will be determined by the layout of the residential areas, and should form a focal point to the immediate neighbourhood with good natural surveillance form surrounding properties.

The pocket park is to provide an attractive green space offering seating opportunities and space for informal play in a green and natural setting.

Function

Residents amenity space for quiet recreation and informal play

Size

Minimum 250 sq m
