Do not scale from drawings. Verify all dimensions on site prior to construction. This drawing is to be read in conjunction with all relevant documents and drawings. Report all discrepancies to MoJ immediately.

No unauthorised use, disclosure, storage or copying

## Notes

- 6. The information provided in this drawing is generally commensurate with that expected at the RIBA Design Workstage as noted at the date of issue and should be interpreted as such.
- 7. These drawings are subject to relevant statutory consents, building regulations and local authority planning and planning consent, early approval and Landlords consent(s) and/or agreement(s) as necessary.
- 8. All work is to be carried out to observe best building practices and applicable British Standards.
- 9. These drawings relate to architectural elements only and should be read in conjunction with the design proposals as prepared by the above appointed design team consultants. As such, NMA do not accept responsibility for the coordination of work as prepared by supporting disciplines.
- 10. Any F&E and loose furniture shown is indicative only.
- 11. This drawing is design intent only and provides a basis for specialists design input prior to fabrication and construction by nominated subcontractors and manufacturers.
