Subject: PL/26/0849 153 Caversham Road ATM Full

Planning Application Ref: PL/26/0849
Officer: Huimin Chen
Application Type: Full planning permission
Address: 153 CAVERSHAM ROAD, READING, RG1 8AR
Proposal: The installation of an ATM

It would appear to be a retrospective application.

The site is located on Caversham Road, a busy arterial route close to Reading town centre, characterised by a mix of commercial uses at ground floor with residential accommodation above.

The applicant has stated that the access to the site and other properties will not be affected.

There is sufficient manoeuvrability for pedestrians when there is a queue for the ATM without causing an obstructing.

In view of this it is considered that the installation of an ATM in this location is acceptable, and Transport does not have any objections.

Kind Regards

Neg Hussain (Mrs)
