

1 Proposed Layout
1 : 50

3 Proposed Roof Plan
1 : 50

2 Alternative Cycle Arrangement
1 : 50

4 Proposed RHS/LHS Elevations
1 : 50

5 Proposed Front Elevation
1 : 50

6 Proposed Rear Elevation
1 : 50

CDM 2015: DESIGNERS NOTES ON SIGNIFICANT RESIDUAL RISK
In preparing this design KITE ARCHITECTS have attempted to avoid using materials and techniques which could cause future hazards whilst constructing, using, maintaining or de-commissioning the building.
The below risks could not be designed out and should be carefully monitored on site during the construction period and during any future maintenance of the structure.
These notes relate solely to information shown on this drawing. Only significant risks which are considered to be unusual or unlikely to be obvious to a competent contractor or other designer will be highlighted. This information is subject to revision as the design develops. Particular hazardous areas are highlighted with a symbol on the drawings and noted.
No residual risk identified at this stage.
