

STANDARD NOTES

All dimensions and levels are to be checked on site prior to the commencement of construction works and any discrepancies reported to the Construction/Project Manager immediately.

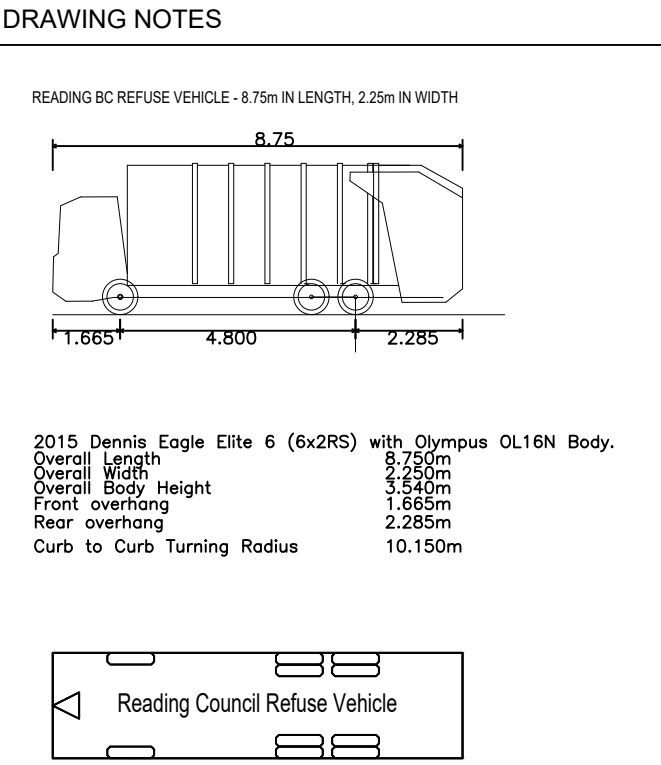

This drawing may not be reproduced in any part or form without written consent from Baker Gilbey associates Ltd. It must not be copied, used or disclosed to third parties without permission. All copyright reserved.

All dimensions are in millimetres unless otherwise stated. Figured dimensions to be followed in preference to scaled dimensions.

All levels are in metres to Ordnance Datum unless otherwise stated.

Contractors/Sub-Contractors must ensure they have the latest drawing issue before they commence work on site - Refer to Drawing Register.

This drawing is to be read in conjunction with all other relevant Planning and Building Regulation/Working Drawings, Architects Details, Specialist Subcontractors Drawings and Specifications.
